SUDDEN DEATH OF PROMINENT MAN

A. Groskopf, Pioneer Resident of California, Expired Suddenly at Family Home Tuesday.

Albert Groskopf, Sr., highly respected pioneer farmer of the Vineburg section, died very suddenly after midnight Monday at his home. He had been in his usual good health the day before and was in Sonoma on business as late as 3 o'clock the afternoon preceding his death. Shortly after retiring, his wife was awakened by hearing Mr. Groskopf groan. She called to him and receiving no response, went to another room to summon her son, Frank, and his wife. Before they reached his bedside the Grim Reaper had claimed the beloved husband and parent. Heart failure had evidently been fatal. The sudden death was a great shock to the family, for Mr. Groskopf was renowned for his sturdy constitution and his grit to stand pain. He had never had a sick spell during his 68 years and when accidents befell him he always bore them with remarkable fortitude, never accepting anaesthetics or fearing the surgeon's knife.

Born in Alsace-Lorraine, Mr. Groskopf came to this country when a young man and for years owned a big ranch near Triniti where he and his good wife reared a splendid family of five sons and one daughter. The family all came to Sonoma Valley some years ago, their hospitable home being the center of hospitality for friends from far and wide. Respected for his upright and honest business methods, his kind and genial attitude towards his fellowmen. Mr. Groskopf lived continually on his ranch for 17 years, lately making many improvements to his home and looking forward to happy years before him. His untimely death was a shock to the entire community.

The funeral took place here Thursday morning with interment at Mountain cemetery, the remains being followed to their last resting place by many relatives and friends. In addition to the widow, Barbara Groskopf, the surviving children of deceased are Mrs. Leona Batto, Joseph, Charles, Albert, Frank and Olice Groskopf.

NOT GUILTY OF MURDER IN KILLING OF FATHER

William A. Johnson Is Acquitted Promptly by Jury. Five Women Balloted on Fate.

"We, the jury, find the defendant not guilty. Signed: Mrs. Laura E. Barlow, foreman."

This was the verdict returned by the jury sitting in the trial of William A. Johnson, accused of the murder of his father, at Glen Ellen, after the jurors were locked in the jury room only 13 minutes. The jury was out only long enough to select the foreman and cast one ballot.

The jury returning the verdict contained five women, the first women in Sonoma county to serve on a murder trial panel, and Mrs. Barlow, who signed the verdict, was the first Sonoma county women to be elected foreman of a Sonoma county jury

So great was the interest of the public in the trial that the spectators, crowding the courtroom to capacity, forgot the formality of the court, and burst into loud applause when the verdict was read by Clerk Byington.

TENNIS STARS TRYING FOR CHAMPIONSHIP

Today at Madera the Sonoma High School Team Will Seek to Wrest Honors From Five Other Schools.

Today at 9:00 a. m. the tennis stars of several state schools will meet on the court at Madera, Sonoma High School being among those to contend for the state championship honors. The place of the meet was changed from Los Angeles as being more central. School teams contending are those of Red Bluff, Berkeley, Corcoran, Madera and Los Angeles. Sonoma has sent Herschel Hyde and Don Prestwood to bring home the pennant at the meet. They are winners over 15 counties and at Berkeley recently won the doubles, Hyde later playing a close game with the winner of the state championship.

June 7th and 8th will be big nights at the Don theatre when a benefit to defray the expenses of the team will be given. Sonoma should be extremely proud of its team and turn out enmasse and back up its young athletes.

Progress and Prosperity

By Our Campaign Manager

Valley of the Moon Golf and Coun try Club.

The "let well enough alone spirit" is like the measles—contagious. Mr Podunk's shop has made $150 a month for 20 years. He knows everybody in the durned valley and there isn't any more to be done about it. Mr. Neighbor has heard this so long he, too passes the optimistic (?) view along. Soon the only live man in town is the undertaker—but he's too busy with his own undertaking.

It isn't avaricious to want a Cadillac if you own a Ford, or to dream of a large population and big establishments where there are now only shops. It isn't folly— it is common sense and American push; merely the indefatigable spirit of go and get it.

This commercial and civic ennui is like a disease and like all diseases must be fought. Sonoma Valley should be proud of fighters of the calibre of R. G. Lichtenberg, capable manager of Boyes Springs, promoter of the Golden Gate Ferry and the Valley of the Moon Golf and Country Club—a man of vision and action.

Mr. Corcoran of Agua Caliente Hot Springs, is a booster for good roads and community welfare.

The fable of the tortoise and hare is out of date in 1922. We need progress. For example take E. T. Lindley of the Sonoma Feed Store, ever increasing his own business yet still an ardent worker for Sonoma. "Improve the Plaza. Give the children a playground," says Lindley.

And Louis Lamotte, past, present and future is a booster for the Valley of the Moon.

Madame Maerilla, the talented musician is positively dynamic. All her energy goes to liven things up and her heart and soul are in Sonoma.

Sal Carlo recently made a big investment on the site of the old Calliente Hotel where he conducts his extensive resort and attractive cafe, the Lark. His investment is here and he stakes his future on the Valley's future.

Al Rossi, son of a pioneer in the valley is now conducting the resort in an up to date manner and in his spare time is working consistently for progress and prosperity.

Although known and admired throughout the valley, let us remind you of Mrs. Shepard in Glen Ellen. She is advertising Wake Robin Lodge as a resort this summer and is one of our most enthusiastic campaign members.

Watch this space next week, in which the cartoon of Mr. Lichtenberg will appear.

ROSE CAMINATA IS BRIDE OF D. McINTOSH

Popular Young Couple Wed at Napa and Are Serenaded at Home Here Saturday.

At a quiet ceremony in Napa last week Miss Rose Caminata, a fair daughter of Sonoma Valley, became the bride of Donald McIntosh, ex-service man and employee of the Old City Bakery.

After the ceremony, performed by Judge Anglin, the young couple returned to Sonoma to the pretty cottage on Spain Street, which is to be their future home. Friends of the happy couple discovered that wedding bells had rung out and on Saturday night serenaded them. The visitors were cordially received and a pleasant evening of jollity enjoyed by the newlyweds and the serenaders.

On Sunday a family dinner party was given in honor of Mr. McIntosh and his bride. The wedding cake made at the bakery with which Mr. McIntosh is connected was a work of art. It was a rich fruit cake with pyramid decorations, a miniature wedding bell surmounting the handsome frosted confection.

Mr. and Mrs. McIntosh have been the recipients of many nice gifts and deluged with congratulations. The bride is the daughter of a pioneer resident, Mrs. M. Caminata, and a young woman of charm and domestic accomplishments. Mr. McIntosh is the son of D. McIntosh, former superintendent of the Industrial Farm at Buena Vista and now a permanent resident of Sonoma Valley.

BIG RAID YESTERDAY

The "dry" squad returned to Sonoma Valley yesterday, armed with a wholesale batch of warrants and raided several resorts including some on the highway and El Verano.

J. Altimira and wife were here last week registered at the Plaza Hotel.

GRAND ARMY MAN IS LAID TO REST

E. D. DePlace Goes to Reward After An Illness of Several Months. Funeral Held Last Saturday.

E. D. DePlace, Grand Army man and old soldier who passed away at his home in the Sebastiani tract was laid to rest Saturday last, services being held at St. Francis church, into which faith Mr. DePlace was received the first of the year.

The old soldier and veteran of the Civil War was a native of New York state and when quite a young man left college in Ohio to enlist with the Union forces. He was attached to the cavalry and saw active service all through the stirring days of the war of the rebellion.

Some years after being mustered out of the service, Mr. DePlace settled in Illinois, where he married the lady who has been his devoted life partner for 50 years and who survives him. Three daughters were born of this union, two of whom also survive deceased.

Before coming to California in 1911 Mr. DePlace was a prosperous real estate dealer of Denver, Colo. Moving to Sonoma Valley with his family he located on a ranch south of town where he continued to reside up to a few months ago, when, with his good wife he came to Sonoma and rented the pretty bungalow where he was destined to spend his last days.

Mr. DePlace was one of the rugged Americans who viewed with pride the progress of the country following the war and was thankful for the united spirit of the North and the South after the great reconstruction period. He was inensely loyal to the flag and a consistent Republican.

During the funeral town flags were at half mast, including that of the Women's Club, of which Mrs. De Place is a respected member.

Deceased was born in 1842 and thus had attained his eightieth birthday.

SERIES OF THEFTS TRACED TO SMALL BOYS

Precocious In Criminal Methods Young Culprits Are Discovered and Taken Into Custody Wednesday.

A series of thefts which baffled the officers of Sonoma for some time past turned out to be the work of two small boys. Deputy Sheriff Ryan had been quietly following clews since the market of A. Picchi was robbed last week and the discovery of a small footprint in the soft mud under a window where the intruder had made his get-away, led him to suspect that boys were inplicated. Following the disappearance of a sum of money at the Don Theatre box office one night and the accusation one boy made against his little companion, the deputy sheriff's suspicion was directed against the youths arrested Wednesday night. Between 6 and 7 o'clock Wednesday Picchi's store was entered for the second time and a little while before that hour, Mrs. B. F. Campbell of Broadway complained that the Campbell garage had been broken

Henry Koerner took over twenty members of the Sonoma Y. M. I. to Napa Sunday to take in the Y. M. I. conclave, in his large auto bus.

Supervisor Lowell of Sonoma has leased a residence at Sonoma Grove and with his family will reside there, having sold his interest in his ranch.

Mr. and Mrs. Calin of San Francisco were guests at the Weaver home over Sunday. Mrs. Calin was formerly Miss Ruth Riser of El Verano.

W. Chester, the water king of Sonoma Valley, was visiting in the western foothills the first of the week from San Francisco and looking over water interests.

Frank LaHaye, prominent society chap of San Francisco, was in the Valley Saturday evening taking in the dances. Frank is some dancer and a devil among the ladies.

Alfred Worrell, early settler here, and now of San Francisco accompanied by his family, passed through here Monday and stopped off to renew old acquaintances.

P. H. Noonan, Santa Rosa capitalist and pioneer butcher, was here Monday looking as young as ever and renewing old time acquaintances, who were all glad to see him.

Joe Danieli motored over to Sacramento last Saturday evening to view the 49 celebration. Joe pronounced the doings wonderful and was much impressed with the dance hall girls of the days of 49.

S. Rosenthal, resort owner of Verano, is sporting a police star on his coat almost as big as himself. The appointment was made by Constable J. Murray, making Mr. Rosenthal a deputy constable of that district.

The opening of the El Verano Villa The Tavern, and Rosenthals were a grand success last Saturday evening. These dances will continue during the summer months with the best of jazz music.

George Caviglia and Perry De Rose motored to Los Angeles Saturday where the former was a racing machine which he will bring to the Valley of the Moon on his return and will challenge any driver to compete against him on the speedway at Cotati in an auto race.

T. R. Black, who had resided at Sonoma Vista for the past year, died at that place last Friday. Mr. Black was born in New Jersey 55 years ago and his funeral took place in San Francisco Saturday at Cypress Lawn cemetery. He leaves a brother and sister residing in San Francisco. Pneumonia was the cause of his death.

Al Weaver, our village smith, has returned much improved by his trip to Sacramento, where he enjoyed the 49 celebration, and is now back at work making an auto bus for Fest Farm, which opened for summer visitors the first of the month. The many friends of Mr. Fest are glad to see him back in the Sonoma Valley.

A new S. P. train schedule will go into effect about June 15 over the Santa Rosa branch. The train service will be returned to the old schedule with the trains arriving at Santa Rosa at 11 a. m. and leaving at 2:25 p. m. for the period of the berry shipping seosan, which lasts about 60 days, after which the present schedule will again go into effect.

The first grand ball of the Sonoma Volunteer Fire Department at Union Hall, Sonoma, June 17, is the big event for this month and will be attended by a large crowd of dance goers from El Verano as they are all interested in the Sonoma Fire Department which is doing heroic work when called upon throughout the en the valley. Chief Valente was here Monday in the interest of the ball.

Jesse Burris, head of the Sonoma Valley Bank, returned from Sacramento Tuesday evening. Jess was at the 49 celebration and spent several days looking 'em over and also remained to watch the whiskerinos on barber day getting pruned up, and pronounced it a great sight, with moaning and suffering and horrors as the bush was being scraped from the faces of the '49'ers. Every razor in Sacramento was put into service to relieve the boys of their whiskers and restore them to civilization once again.

All the El Verano whiskateers have returned from Sacramento and the El Verano Whiskers Club was disbanded Tuesday after making a good showing at Sacramento. Some of the members were in favor of keeping the decoration on their faces, but after a stirring speech from Archie McKiver president of the club, telling them the good old summer time was on and that the summer girls would soon be in our midst, the boys assembled at the local barber shop and cleaned the noted whiskers off their faces and are now ready to greet the summer fairies. The club will again be organized during the coming winter months.

Last Sunday afternoon at 1 o'clock the Riverside Garage owned by Henry Norrbom took fire and was totally destroyed along with five cars that were in the building. Mr. and Mrs. Louis Malley of Vallejo, who arrived by auto a few minutes before the fire had put their machine in the garage and were at dinner with the Norrbom family, having come to visit for the day. Henry Norrbom, upon discovering the fire, entered the building with Carl Weaver and tried to save the machines, the gas tank blowing up in one while they were trying to get it outside. The Sonoma and Boyes Springs fire departments arrived and gave good service, saving the Norrbom home. The garage was insured to the extent of $300 but the loss was over $3000. Mr. Norrbom will rebuild in the near future. None of the autos destroyed were insured. They belonged to local people. It is thought that a wire in one of the cars was the cause of the fire. Deputy Sheriff Joe Ryan did good work in keeping the crowd back from the service station gasoline tank, on the outside of the building.

ALL WORK GUARANTED FOR THIRTY DAYS

PROPERTY TO BE CONDEMNED FOR HIGHWAY

As a result of her refusal to enter negotiations, the supervisors have ordered District Attorney George Hoyle to file condemnation proceedings against Mrs. Theresa Bell to secure a right of way through her property near Glen Ellen for the Schellville-Santa Rosa state highway.

About 3.70 acres of the Bell ranch are required to straighten the highway at that point.

A bond as fixed by the court will be given in order that work on the road can proceed as though the right of way had already been deeded. In the meantime a jury will fix the amount of damage to be awarded.

Louis Kunde, whose land adjoins the Bell ranch, has agreed to abide by the decision of an arbitration board of three disinterested persons to be appointed by Superior Judges Emmet Seawell and Rolfe L. Thompson.

The arbitrators will investigate and file their award with the supervisors on or before June 15.

The local committee are daily signing up many property owners along the right of way of the new highway to Schellville and report excellent co-operation. However, where there is any dispute and an escrow deed is insufficient to satisfy parties whose land is necessary to putting the road through, condemnation will be resorted to as in the Bell case and property owners will be called upon to defend a suit. The highway commission has given Supervisor Lowell until July 1 to get all deeds signed and in their hands. With the local committee he is making great effort to clear up everything so that the building of the highway can proceed this summer. Court action and delay on the road south of Beltaine yet to be advertised would halt proceedings and might lead to delay on the finishing of the 11 miles down the valley to Schellvile.

Property owners on the westerly city limits of Sonoma from J. Main's to Norrbom B others' are being signed up.

The new highway will eliminate the corner at Main's place going back of his barn and across the Maxwell field to the railroad crossing. The curve at the Baccala corner will be straightened out, the new route being across Mr. Baccala's yard to the county road. The new highway with its sweeping curves and fine broad contour will be a magnificent improvement for Sonoma Valley.

The attitude of the present Highway Commission is very favorable toward the consumation of the Sonoma Valley project, but if th re is delay, due to obstinate refusal to sign deeds or refusal to arbitrate the members of the commission may be changed, their interest more in Southern California and Sonoma Valley will have to continue traveling over the bumpy roads. It is squarely up to the property owners and they can either expedite or hamper the valley's future.

However, the committee states that any controversies still pending the coming week will be turned over to the district attorney who will proceed as necessary.

It is to be sincerely hoped that everyone will cooperate with Supervisor Lowell and the committee so that all grading can be done this year and surfacing done in the spring.

The White Shell Club was hospitably entertained at the Sam Strong home near Santa Rosa last week.

Mrs. B. T. Clark has brought in a rare relic for the old Mission. The implement was used by the indians to grind their corn and make their bread.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SONOMA IS ELIGIBLE TO CELEBRATE EVEN AS SACRAMENTO

SONOMA should profit by the fine publicity which was achieved by Sacramento at the '49 fete. It is conceded by laymen and publicity experts that Sacramento through the holding of the historic celebration scored as it never could have done otherwise. Sonoma Valley will have similar opportunity through the celebrating of the 100th anniversary of the founding of the old Mission in Sonoma. On Juty 4, 1823, Father Jose Altimira founded the historic Mission which is our pride. On July 4, 1923, it will be a century since the padre raised and blessed the cross on the hallowed spot. It should be the occasion of as big a holiday as Sonoma county has ever commemorated. The people of California showed their sentimentality and love and reverence of the history of our Golden State by their response to the '49 fete. Sonoma, with its wealth of history, antedating and contemporaneous with the gold rush can command the attention and admiration of every section of the United States, for in Sonoma County's past are interwoven all the picturesque elements of the Western frontier.

First of all the Indians, indolent, seekers of life where nature provided most generous stores; the padres, who chose, in which to do their work, the garden spots of California; Mexicans, who liked their ease amid climate nearest perfect and riches easily garnered; Russians, anxious to establish new outposts in the fairest of new lands; gold seekers, of the splendid, idle forties, with love of conquest and adventure in their hearts and intense admiration for the romance which here surrounded them.

The pioneers who stirred the love and interest of California last week at Sacramento can live again in Sonoma in 1923 and with them all the picturesque notable characters of a century ago—Indian chiefs, padres, army officers, commandantes and traders, who made Sonoma their rendevzous and marked it for the cradle of California. What more compelling interest can be imagined than would center around the hundredth anniversary of the founding of the old Mission at Sonoma. The success of such a fete is a foregone conclusion. Let us celebrate and emulate our progressive pioneer sister city, Sacramento. Hats off to her!

THE ENFORCEMENT OF PROHIBITION

PROHIBITION COMMISSIONER HAYNES is very anxious to make popular the prohibition law and to get the backing of all good Americans and all those who live under the flag that the Eighteenth Amendment may be successfully enforced. As we have seen it worked out in this state we believe that the Commissioner has work ahead of him which would make one of the twelve Herculean labors look like flicking ashes off a cigarette.

Aside from the resentment of the foreigners to whom we have prated freedom and liberty and then turn around and meddle with their table customs, and aside from the unsympathetic attitude of old-line Americans who believe the present amendment contradictory with others of the Constitution and out of tune with the spirit of the great document formulated by our forefathers, the greatest obstacle to success is from the prohibition enforcement service itself.

During the past two weeks we have beheld many truck loads of wine seized and their drivers arrested. This wine, or portions of it, has been destroyed, thrown into the gutters—a practice which beats the "disappearance" of vintage after it has been seized, a too common occurence in official circles. But the vineyardists of Sonoma county and men who have studied government bulletins for years to perfect themselves in wine making wonder why wine, a beverage older than civilization, honored by poets and classic bards, symbolic in religious rites and valued for medicinal purposes, a product of an industry representing millions of dollars, should be the object of this modern, legalized vandalism, while crude, high proof rot-gut, representative of nothing but the futility of restricting the making of alcoholic liquor is being made and peddled in every nook and corner of the United States. It may make a spectacular showing to seize truck loads of California wine and dump barrels of it into sewers, but it is a miserable attempt at the achievement of prohibition and the greatest barrier to real temperance ever devised.

In the enforcement of prohibition the agents of Volsteadism make the foolish mistake of demonstrating their faulty methods in a small field where the incongruity and injustice of their tactics are glaringly apparent. During the past week an enforcement agent long ago discredited in this community because of false reports on leading resorts and notorious conduct while formerly in the employ of certain "dry" organizations, turned in the evidence on the "buys" alleged to have been made in many Sonoma Valley resorts. As a result three arrests were decided upon two apparently because the men looked too prosperous and were improving their big property interests here with modern and substantial hotel buildings, the third —everyone would like to know why—for this piece of discrimination against an inoffensive proprietor of a well conducted family boarding house, is resented by every citizen acquainted with conditions in the neighborhood where real bootleggers go unscathed. It would seem that carpet baggers, leasing property to carry on illicit business, victimizing customers and defrauding creditors can "get by" where substantial property owners and men running legitimate business are enmeshed in this prohibition net. A law which permits fish to be made of one and fowl of another or an officer who enforces the law that way will not be countenanced by any justice loving community of America. The government should not discriminate and the prohibition commissioner must exact some character of his enforcement agents (a quality which has been noticeably lacking in many of the samples sent this way) if he hopes to get the support of good citizens in his law enforcement program.

A law devised to encourage real sobricty would win instinctive respect from the American people but the prohibition law, practically unenforcable, as it stands in its present unmodified form, and glaringly abused where it is enforced, weakens the whole structure of law and order just as Chief Justice Taft predicted at the outset.

SERIES OF THEFTS TRACED TO SMALL BOYS

(Continued from Page One)

open, tools taken and the engine of the car started. Evidently the culprits had been frightened away or had trouble in getting the machine under way for there was no trace of them when she phoned the officer.

Deputy Sheriff Ryan began a search and found the two boys whom he suspected of various offenses in the vicinity of the up-town robbery. They were questioned and one lad broke down and confessed.

The lads, little more than children, one being 8 years of age, were taken to jail after acknowledging at least a half dozen depredations. The precocious "bandits" showed the greatest ingenuity in fashing devices to open doors and at the Picchi store they cut the screen and broke through a window which they entered. Once inside they helped themselves to "eats" and tapped the cash register.

A recent robbery at the Broadway Service Station and the forced entrance to several places of business Wednesday evening prior to the Picchi robbery have been traced to the daring pair of juveniles. They acknowledged entering the Campbell garage and declared they had planned to drive to Napa.

A complaint was sworn to by A. Picchi and on Thursday Deputy Sheriff Ryan took his young charges to Santa Rosa where they will be dealt with by the Juvenile Court.

The officers declare the cases to be without precedent in the history of local juvenile offenders as the boys, despite their tender years, showed remarkable ingenuity and for a time covered up their tracks well.

SONOMA FIRE DEPARTMENT BENEFIT TO BE HELD JUNE 17

The first benefit ball of the Sonoma Volunteer Fire Department will take place at Union Hall, Saturday, June 17th, and is deserving of the support of everyone in Sonoma Valley. The net proceeds will be used to purchase necessary extras for the Department including waterproof coats for the fire laddies who leave their work or their beds at the tap of the bell and without a cent of compensation rush to the assistance of the community in time of danger. Clothes are often spoiled to say nothing of real hazards such as which occurred at the recent fire when Fireman Emparan broke his leg.

There is additional equipment necessary to expedite the work of the Department and also a siren for the engine to safeguard traffic when it is on the way to a fire during the busy hours. The Sonoma fire engine and its efficient crew headed by Chief Jep Valente and Engineer Bertoli has done heroic work at several fires of late which, but for the splendid performance of the Waterous combined pump and chemical and the cool headed prompt action of the firemen would have been costly conflagrations.

Sonoma's fire department has demonstrated what it can do for the community. Now it is up to the community to show what it will do for the Department.

Whether you dance or not buy tickets for the first annual ball of the fire laddies and make the benefit one big success.

Dance lovers are assured a fine time and the excellent music of Madame Maerilla's special dance orchestra.

FIRE DESTROYES GARAGE AND FIVE CARS SUNDAY

A fire starting in the Riverside Garage at El Verano Sunday completely destroyed the building and five cars went up in smoke. Mr. Norrbom had just locked his place of business and had gone to lunch when he noticed flames coming from the garage. By the time he rushed over, the interior was a mass of flames and after seeing the futility of getting a single car out and experiencing the bursting of a gasolene tank on one machine, the proprietor had to abandon all hope of saving anything. The timely arrival of the fire engines from Boyes Springs and Sonoma, saved the Norrbom home and outbuildings.

No cause for the fire is known.

Among the cars destroyed were two belonging to Mr. Norrbom, one to his brother Peter Norrbom and another to Mrs Chance. The garage was insured for only $300. The loss is estimated at several thousand dollars.

Mr. and Mrs. Norrbom have the sympathy of many friends in the loss of their property. They plan to rebuild and reestablish themselves however as soon as possible.

Miss Catherine Laurenzi of San Francisco was here visiting her father this week.

The Flying Needles will meet at the home of Mrs. Perle Erazmus Wednesday next.

Mrs. Mary Shaw has recently returned from a visit to her son, Colonel Herbert Shaw, at the Presidio, at San Francisco, where she was much entertained.

CHAMBER OF COMMERCE HAD GOOD MEETING

The Valley of the Moon Chamber of Commerce had a good meeting on Thursday night. President Corcoran occupied the chair. Secretary R. C. Specht was instructed to communicate with the San Francisco Chamber of Commerce with the idea of getting a speaker here and otherwise having the organization avail itself of opportunities offered by the city organization. Mr. Corcoran gave an enthusastic talk on community entertainment and proposed that the Chamber of Commerce foster something in this line in every burg in the valley, including good music.

Publicity was again up for favorable discussion.

The president expressed himself as well pleased with Sonoma Valley's attitude toward the Chamber of Commerce and he highly praises his coworkers and the directors.

The regular monthly card party for the Women's Club House fund will be held Tuesday evening, June 6. A hospitable committee composed of Mesdames Burlingame, Gottenberg, Cutter and Hays assure all who attend a pleasant evening.

ADMIRED WEDDING DRESS WORN BY SONOMAN

Among the many fine old costumes of early California days worn at the recent "days of '49" fete in Sacramento was that of Kate McDonnell, librarian of Sonoma who donned her mother's silk poplin dress, made in Sacramento in the fifties. Her mother was formerly Margaret Ward of Auburn and married Ranald McDonnell a store keeper of Forest Hill, then a flourishing mining camp. The wedding dress worn by Mrs. McDonnell has been carefully kept these many years. It is of a mode color, trimmed in the then popular fringe. At the Sacramento parade last week, many spectators asked the history of the priceless heirloom worn by the Sonoma visitor.

Miss McDonnell motored to the '49 celebration with the Clerici family

MARRIED THURSDAY BY JUDGE JUSTI

Miss Emma Kunde, daughter of Louis Kunde, prominent vineyardist of Kenwood, was married Thursday to F. W. Gearhardt of the Gold Ridge section by Judge Leopold Justi of Glen Ellen.

After the ceremony at the home of the justice, the newlyweds left on a wedding trip to Los Angeles. The bride is a handsome young woman who has traveled widely and is possessed of many beautiful traits of character. Mr. Gearhardt is a prosperous farmer of Sonoma county.

Miss Alice Wilson and Joe McMulle nhave been up from San Francisco visiting Mr. McMullen's mother, Mrs. W. B. Hays. Another visitor at the Dr. Hays home is the doctor's sister, Miss Hattie Hays of Berkeley.

MRS. OTTO RUFUS CLAIMED BY DEATH

Mrs. Otto Rufus, whose life had been despaired of for the past ten days passed into the great Beyond on Tuesday.

Mr. Rufus, the husband and Kennon Gilbert, son of deceased, tenderly cared for their loved one during the dark hours preceding her passing. A trained nurse and a physician were also in attendance but little could be done for the sufferer who gradually sank into a coma as the eternal shadows enfolded her.

Mrs. Rufus was the victim of an incurable ailment which a drastic operation failed to relieve. She was reconciled to the inevitable and passed away peacefully, surrounded by the ones she loved in the home which had become so dear to her. Deceased was 44 years of age and a native of New York.

The funeral took place yesterday from Buena Vista, interment being in Mountain cemetery.

LOCAL AND PERSONAL

Mr. and Mrs. Elkins of Buena Vista enjoyed a most pleasant visit from their daughter and her husband of San Francisco Sunday. Mr. Elkins is very enthusiastic over his ranch in the Valley of the Moon and says it is the realization of long cherished dreams, as he determined to some day settle in Sonoma Valley as far back as the real estate days of D. H. Twing.

The Robert Taylor family have moved to Sonoma, Mr. Taylor having left Boyes Springs to resume his run on the railroad. Taylor's fine tenor will be missed by the Congregational church choir, of which he has been a member.

Mrs. Lucy Skinner and Mrs. Edna Hall came over on Decoration day from their homes in the Petaluma district to decorate the family plot in Mountain cemetery. Their mother is in Germany and no doubt regretted not being here on that day. The McElroy plot is one of the most beautiful on the hillside.

Mr. and Mrs. Arthur Luce were here from Santa Rosa on Decoration day.

Walter Bundschu entertained the Gearys of Santa Rosa over the holiday, including the pioneer Sonoma county attorney and former congressman, Thomas J. Geary. Bundschu's brother married into the Geary family

Fred Batto and son returned from Summit this week and report four feet of snow still on the ground in the Switzerland of America.

Mrs. Rachel Snyder, prominent pioneer and large property owner of Sonoma Valley has been in San Francisco on a week's business trip. Her husband, Mayor Snyder, was a quartermaster in Fremont's batallion and one of the noted men of the early forties in California.

Stephano Mariani, a merchant of the Mission district, San Francisco, has been visiting at the Baccala home.

Mrs. Sherman-Morse of San Francisco, former old resident made her regular visit at Decoration day time to Sonoma. For the past three weeks she had been staying at the handsome home of Will Sherman, her son, caring for his little boys. Will Sherman is head of the Union Ice and Cold Storage Company of San Francisco.

Miss M. Biggins of San Jose was here this week looking over her property interests in Sonoma Valley. Miss Biggins is of a pioneer family, her father having been one of the big property owners of the early days and a breeder of fine horses and cattle.

Dr. and Mrs. Frank Phillips were in the valley Tuesday greeting their many friends. The doctor says his candidacy for re-election to coroner and public administrator never looked better.

How Could He Forget?

Two men touring a remote part of Scotland put up for a night at the chief hostelry. At a loss for any other entertainment to while away the evening, they asked their host if he had a billiard table. He had. After a long search a rusty key was found, and in a remote part of the building this unlocked a door which revealed a dust-covered table and a solitary cue. Several months later one of the guests returned to the hotel and found that the landlord's welcome was somewhat lacking in warmth. His attempt to improve the occasion by recalling his earlier visit was received with this reproachful remark: "Aye, mon, I remember your game o' billiards. I only found last week ye forgot to turn th' licht oot."

Difficulties of Observing Venus.

The scientific onslaught on the planet Venus, to try to determine whether there was life upon it, has resulted in nothing of a satisfactory nature. There have been many interesting observations and some new theories, but no conclusion as to the presence of life. Although it is the nearest planet to the earth, nearer at times than Mars, Venus has thoroughly baffled investigation heretofore because it is in darkness, being between the earth and the sun, when it is nearest to the earth. Such markings as characterize Mars are lacking. This is supposed to be due to an envelope of cloud covering evenly the surface of Venus.

The Great Symbol.

GOLDEN GATE FERRY BEGINS OPERATION

After many disappointments and considerable effort the Golden Gate Ferry Company has inaugurated automobile ferry service between San Francisco and Sausalito. For about 30 days the schedule will be one round trip every hour leaving Sausalito at 6 a. m. and San Francisco at 6:30 a. m., and beginning July 1st when the Diesel electric boat, Golden Gate, begins operation service will be on a half hour schedule. The boat crosses the bay in 20 minutes.

This announcement has just been made by officials of the new auto ferry company. They also state that existing tariffs have been lowered One dollar will be charged for carrying ar automobile and $1.50 per ton for motor truck freight with a graduated charge for motor trucks according to size. Single passenge fares will be sold for 15c, round trip 25c with a reduced rate for automobiles and passengers through the medium of commutation books which will soon beplaced on sale by the company

Construction work on the ferry terminals is being rushed and while they were not completed for the opening of the service they were sufficiently advanced to take care of the automobile traffic without delay to motorists.

BOYES IMPROVEMENT CLUB ELECTS E. A. WAGNER

At the regular meeting of the Boyes Springs New Improvement Club on Wednesday evening the following new officers were elected to preside over the flourishing organization for the coming year:

President—E. A. Wagner.
Vice President—Wm. Steinkamp.
Secretary—O. L. Loudon.
Treasurer—W. R. King.
Sergeant at Arms—Mr. O'Brien.
Trustees—J. W. Minges, Captain Burgess, Mr. Woodworth, James P. Post and E. Blomgren.

Mr. Wagner is the merchant and real estate man of Boyes and is a live wire. His co-workers are all splendid boosters for the Valley of the Moon.

LIGHT WINE AND BEER MOVE IS GAINING

Light wine and beer movement took on an added momentum in the House of Representatives this week when 50 congressmen petitioned the ways and means committee for prompt consideration of the local option bill recently introduced by Representative John P. Hill of Maryland. A tax of 20 cents per gallon is provided for. At this rate the bill would produce revenue of $400,000,000 to $500,000,000 a year.

The sentiment throughout the United States appears to be favoring a beer and wine diet instead of the tremendous amount of smuggling of foreign liquors, bootlegging, grafting and many kindred crimes which now prevail throughout our nation on account of bone dry legislation and which latter legislation is very apparent can not be enforced. A modification would be more beneficial than the present status of bone dry enforcement.

The sentiment favoring beer and wine is evident by the many organizations, including the United States Labor Federation, chambers of commerce, which have expressed their feelings towards this end. The city council of Baltimore, Chicago and San Francisco and many other cities have already gone on record to favor beer and wine and the San Francisco chamber of commerce, comprising representative citizens of the wheel of commerce of California, voted 93 per cent in favor of light wine and beer. The Los Angeles chamber of commerce with over 5000 members, voted for the legalizing of these beverages by 84 per cent of the total vote. The San Diego chamber of commerce voted 70 per cent of the total vote in favor of beer and wine—this vote from a city classed as Bone dry is a great surprise. The Savoy theatre in San Diego voted its audiences at each performance during the week, with the result that 82 per cent favor beer and wine.

CHIEF CAUSE GIVEN HANDSOME TESTIMONIAL

Chief W. B. Cause of Boyes Springs who directed the recent first annual Valley of the Moon May Day Carnival, was presented with a handsome testimonial by the Boyes Springs New Improvement Club Tuesday evening at the Boyes Springs Theatre. A beautiful $225 Lord Elgin watch was given the Chief in token of the appreciation of his friends, neighbors and associates of his untiring efforts in making the carnival a success and for his years of loyal service to the community and the Valley of the Moon.

The presentation ceremonies took place following the moving picture play at Boyes, the presentation speech being made by W. L. Murphy of the Index-Tribune, who paid deserved compliment to the Chief who was called to the platform while the orchestra played "Hail to the Chief." Mr. Cause was overcome with emotion as he beheld the handsome timepiece, and acknowledged it in a neat speech.

Mr. Cause is widely known throughout the county for his signal service in the Boyes Springs and Valley Fire Department which was created through his efforts and he raised the money to buy two chemical engines for the protection of life and property in this locality. He has been identified with Boyes Springs many years and a compliment paid him by one of the former managers of the big resort Tuesday night sounded simple, but told a lot, for it had to do with the great virtue, honesty.

The Chief is loyal and honest, said the friend who spoke of him, and that is just part of the story why Chief W. B. Cause of Boyes Springs is so highly regarded throughout the Valley of the Moon.

OAKLAND VISITOR HERE ON DECORATION DAY

Mrs. James Morris of East Oakland who formerly conducted the Union Hotel in Sonoma with her brother, Al Lake, was up over Sunday a guest at the home of Mrs. Amelia Bates. Mrs. Morris, formerly Mrs. Lones, came to Sonoma to decorate the grave of her old friend Humphrey Hill who made his home with her some years before he died.

CARD OF THANKS

I wish to express my gratitude and appreciation to the friends and the neighbors who aided me in the recent hours of my bereavement and trouble.

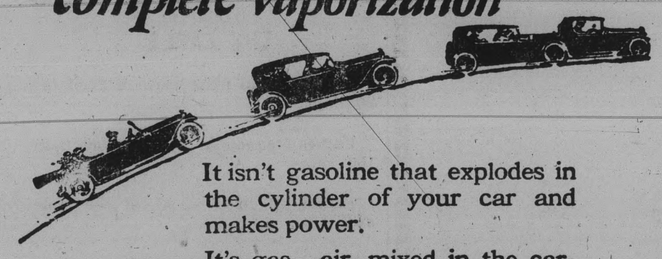
More mileage—

the result of *complete vaporization*



It isn't gasoline that explodes in the cylinder of your car and makes power.

It's gas—air, mixed in the carburetor with gasoline to form vapor.

Red Crown gasoline *vaporizes completely*. It forms a homogeneous mixture with 12 to 16 times its volume of air. That mixture explodes cleanly and powerfully, leaving comparatively little carbon residue on valves, spark plugs and cylinder walls.

That's why you get better mileage out of "Red Crown"—and a cleaner, sweeter-running engine.

Fill at the Red Crown sign—at Standard Oil Service Stations, at garages and at other dealers.

CELEBRATED HER SIXTEENTH BIRTHDAY

Miss Catherine Arsura celebrated her sixteenth birthday Sunday with a fine dinner party in which many relatives and friends participated. The table was prettily decorated with red roses and the menu, including ravioli, chicken, stuffed artichokes and onions, salad, olives, etc., was delicious. A beautiful birthday cake was enjoyed by all present.

After the feasting there was dancing and a good time until late in the evening.

Miss Arsura recently came to Sonoma from Stockton, her father being one of the partners in the N. W. P. Depot Hotel here.

TO SPECIALIZE ON WHITE KING PIGEONS

Many improvements are being made at the Lombard country home in El Verano which is one of the fine places of the Valley of the Moon. Many fancy birds and high bred poultry of various kinds are a specialty at this ranch and lofts for 250 pair of White King pigeons, some of them blue ribbon winners at the national show are now being built. The ranch is ideally located and abounds in natural shade trees. It was formerly the Hoffman place.

Mr. and Mrs. Vic Beretta and a party of friends have been up from San Francisco, guests at the Fred Hansen home.

BIRTHDAY PARTY AT FOX RANCH

In honor of the sixteenth birthday of Miss Leona Fox, talented daughter of John Fox of Vineburg, there was a jolly birthday party Friday night of last week. Music, dancing and delicious refreshments were enjoyed by the young people and the parents who gathered at the ranch to celebrate the occasion.

Miss Fox is a member of the Foxy Four orchestra and popular with the young folks of Sonoma Valley. She was the recipient of a number of pretty gifts and many congratulations on having reached "sweet sixteen." Those present at the party were:

Leona, Ella and Gladys Fox, Rose Arrieola, Nick Wirtz, Hazel McCasker, Fred Johnson, Anita Camp, Fred Schell, Ray Wirtz, Herman Johnson, Herschel Whitmore, Leland Adler, Mr. and Mrs. Wirtz, Adeline and Emma Wirtz, Mr. and Mrs. Fox.

Sunday last Mr and Mrs. John Fox entertained a party of friends and former neighbors from Sebastopol. In addition to the out of town guests Mr. and Mrs. A. W. Adler, Mr and Mrs. W L Murphy, G. Nimpfer and others were entertained.

SHRINE AUTO RACE AT SAN CARLOS JUNE 14th

The internationally known automobile race drivers who will compete at San Carlos June 14, in the Shrine Golden Jubilee auto race, which has been arranged as part of the Shrine official program have a treat in store for them on their arrival in San Francisco after the Memorial Day races at Indianapolis, Ind., as they will find that the program arranged by Chairman W. L. Hughson of the automobile committee has been so arranged and is so varied that it will allow them to sit in with the rest of the spectators and for once they will be the entertained as well as the entertainers.

The speedway officials working in conjunction with the different Shrine committees have arranged for the big program to start off at 11 a. m. with an old fashioned Spanish barbecue, cooked and presided over by Don Jose Greer of Palo Alto, Cal., who needs no introduction when it comes to staging barbecues.

Roy Francis of the committee has arranged with Major H. H. Arnold, of the Presidio, San Francisco, for an aerial entertainment, the squadron of flyers starting from the City and dropping confetti bombs along the air trail to the bowl at San Carlo where they will circle around and bombard the spectators with 50 confetti bombs and then for good measure will stage a regular aerial circus.

WILL VISIT OLD HOME IN EUROPE

Mr. and Mrs. A. Carlson, genial and recpected residents of Buena Vista where they own a pretty ranch, are leaving shortly for a visit to their old home in Europe. They expect to be away several months in Sweden and Finland.

FIRE DEPARTMENT KEPT ON THE MOVE

The busy season for the fire laddies has evidently arrived. It started Friday of last week when the grass at the Sal Carlo resort at Caliente took fire and threatened to spread to the buildings. The Valley Angel and Chief Cause arrived so quick that Carlo's eyes fairly popped out, so surprised was he at the speed shown by the Valley department. The flames were quickly subdued by the chemical

Sunday shortly after noon, Chief Cause was called to El Verano to fight the fire which was consuming the Riverside Garage. Simultaneously a fire broke out near the Flowery school house and the Little Red Devil was rushed there while the Valley angel was at El Verano. The same day there was a fire near Fetters depot.

Mrs. G. H. Hotz, home from a several weeks visit in Reno, Nevada, is much improved in health.

For Ten Dollars and Ninety Cents—This 30 x 3½ Usco

THE 30 x 3½ tire situation today is just this—

The man who buys an USCO at $10.90 is justified in believing that his money is going farther in tire value than it *ever has gone or could go* before.

Naturally he appreciates the quality of USCO. That was established *long ago.*

It is still fresh in his mind that USCO *led the national market* into the $10.90 price range.

* * *

The makers of U.S. Tires *always* intended the 30 x 3½ USCO to be the highest value in its field.

At $10.90 it creates a *new classification of money's worth.*

A Standard Oil Service Station Here

To give the motorists of Sonoma our full metropolitan service, we shall open a Standard Oil Station at Napa Street near First Street West. It will be:

Designed and equipped for the specific purpose of giving quick service—

Furnished with the latest and most accurate equipment for the storage, measurement and delivery of oil products—

Placed at a convenient spot for the motorists of this city—

Kept constantly spick and span, both the station and its equipment and the lawns and driveways—

In charge of men whose courtesy and knowledge of the motorists' needs have rendered them elegible to this service. They will not only sell Red Crown gasoline, Zerolene oils and other Standard Oil products, but will offer you air for your tires, water for your radiator and other courteous attentions, for which no charge is made.

Back of this station are the resources, knowledge and experience of the Standard Oil Company and its organization of more than 16,000 employees, loyal to a man, expertly supervised, and directed with one aim—to produce high-quality products and give reliable service.
